STAGING BUSINESS FORUM

INNOVATION PAVILION

Another major highlight at the show is the Innovative Pavilion. In collaboration with engineering and architecture faculties from across Azerbaijan, CASPINDEXPO will offer young and talented Azeri students a unique platform to present their innovative ideas, and carry their projects to fruition in the presence of the industry's leaders and decision makers.

B2B MATCHMAKING

The B2B Matchmaking Platform is a free service offered by ITF in order to guarantee the best show experience for both visitors and exhibitors and to ensure they meet the right partners.

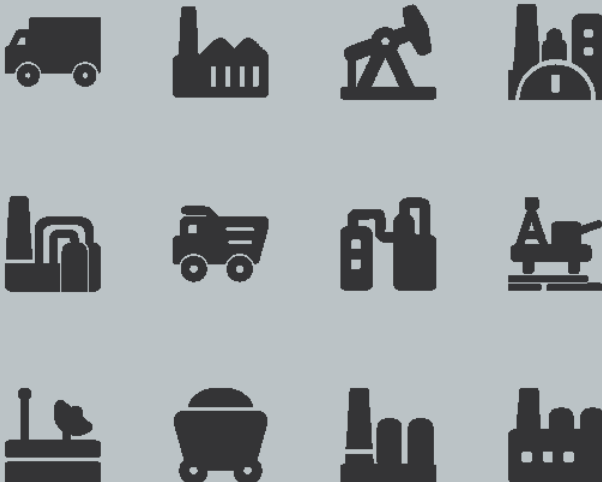

The Matchmaking Platform will help maximize your presence at CASPINDEXPO and give you the opportunity to create partnerships with specific suppliers and buyers.

LIVE DEMO THEATER

The Live Demonstration Theater will be a major highlight for CASPINDEXPO 2017 optimizing the trade show experience, the live theater is the perfect platform for exhibitors to showcase or launch their products and services to an eager and interested audience.

It is a unique opportunity to network, engage with visitors, and demonstrate product value and effectiveness.
